

GO-CART or LAMBORGHINI

Your physical efforts, powered by your own steam, can get you from A to B. But when you hitch your go-cart-style efforts to God's sizzling, raging-hot, fire-breathing Word—you will get from A to B and clear to Z, and with plenty of power to go around the circuit again and again! His Word will transform your little vehicle of effort into a sleek, supercharged Lamborghini that is sure to win the race, reach its destinations, catch the public's eye, inspire the lost hitchhikers, and make an imprint on the world that will never be forgotten.

The moral?

Without God's Word, your efforts will avail little, but when His Spirit is flowing through your system—as you read His Word, believe it, and live it—anything is possible!
