

# Christmas Sweets

*(Praises to offer Jesus during Christmas.)*

*Your love is more beautiful than the seasonal snow that descends on the Northern Hemisphere. Your Word is sweeter than hot chocolate topped with whipped cream and peppermint. Your Spirit that knows no season or time is more constant and nearer to me than my closest friends with whom I enjoy Christmas.*

*You are like Christmas eggnog...*

*You are in the Christmas miracles...*

*You are the Spirit of Christmas. You are the Christmas lights that bring warmth and brightness to my heart. The Christmas baubles remind me of the sparkling glow You bring, which adds fullness and variety to my life. The glittering, shimmering Christmas tinsel that surrounds and envelops the tree reminds me of the way Your wonderful care and many blessings surround me!*

*The gifts in the Christmas stocking that excite me and give me something to look forward to remind me of the way my future with You is worth anticipating. I can't wait to spend Christmas with You.*

*You are like Christmas cocoa...*

*You are like a Christmas eggnog, spiked with love and assurance, that fills me and renews me. You are like Christmas cocoa with marshmallows that warms my heart and puts cozy feelings inside me. You are like Christmas cookies that melt in my mouth and give me joy.*

*You're the Christmas star in my heart, the Christmas cheer in my smile, the Christmas spirit in my actions. You're the reason to be jolly, the meaning for every moment of love, fun, pleasure, and happiness.*

*You are in the Christmas music...*

*You are in the Christmas music that cheers me and puts me in the mood for giving. You are in the Christmas miracles, all those special things that happen throughout Christmas, that prove to me that You care for Your creation. You are the beauty of Christmas. You are Christmas and I love You!*
