

A Sure Thing

When we do what God shows us to do, it always works. God has never been defeated or beaten. His will has never led His children down the wrong path. His plans don't go awry. His power is almighty. He's in control.

A Great Motto

The more faith you have in God, the more God can do through you. If you really want to make a difference, then make this your motto: expect great things from God. Hold God to a higher expectation than you ever have before. As you expect greater things from God, you will be empowered to do even more for Him!

Notable Quote:

Miracles will happen for those who are excited about seeing God work.
