A message from Jesus

On your way to see Jesus?  
Why not try something new!

Okay!

Ah!

Woah!  
Hey you!

Come  
right this  
way!

Do you feel that your prayers have become routine, maybe even dull? If so, try adding a little spice to put some “zing” back into your prayers. For example, why not try using new or different words when you talk to Me, or pray while in different locations, or pray using Bible verses that you don’t yet know by heart. In these—and more—ways, you can give your prayer life a new wardrobe, so to speak, with new styles, new colors, and even a touch of the crazy and wild to make your prayer life more exciting and unforgettable.
